The BlackRock Liquidity Funds Cash Reserve Shares pay an additional 0.40% to financial institutions for providing certain administrative support services.

¹ Assets reported are reflective only of the Cash Reserve series.

Daily dividend factors are based on calculations made following the close of the fund. The SEC requires the provision of a 7-Day yield which is computed in accordance with their prescribed methods. The 7-Day SEC yield shown above may differ from the 7-Day yield shown above due to the fact that the 7-Day SEC yield excludes distributed capital gains/losses.
