Single-State Municipal Funds

The information below summarizes the percentage of exempt interest income received by various BlackRock Open-End Funds on a state-by-state basis. These percentages may be useful in completing your state tax return. In addition, the percentage of income that represents a tax preference item (relating to tax-exempt interest income from private activity bonds) for Federal Alternative Minimum Tax purposes is included for each Fund. Your portion of the exempt interest income has been included on your Form 1099-DIV.

Shareholders are urged to consult their tax advisor concerning the application of this information.

Exempt Interest Income Derived by State	Specified State	Percentage of Income from Obligations of Specified State	Percentage of Income from U.S Territories and Possessions	Percentage of Income from Other States	Percentage of Income Subject to Alternative Minimum Tax (AMT)

BlackRock Pennsylvania Municipal Bond Fund	Pennsylvania	94.82	5.18	-	5.37

(1) At least 50% of the fund's assets at the end of each quarter consist of California obligations.

(2) Fund meets the requirements for a New Jersey "qualified investment fund."

Multi-State Municipal Funds

Percentage of Exempt Interest Income Derived by State

The information below summarizes the percentage of exempt interest income received by various BlackRock Open-End Funds on a state-by-state basis. These percentages may be useful in completing your state tax return. In addition, the percentage of income that represents a tax preference item (relating to tax-exempt interest income from certain private activity bonds) for Federal Alternative Minimum Tax purposes is included for each Fund. Your portion of the exempt interest income has been included on your Form 1099-DIV. Some states require a minimum percentage of home state bonds to permit the state tax exemption.

Shareholders are urged to consult with their tax advisor concerning the application of this information.

Foreign Source Income

The information below summarizes the percentage of income that was derived from foreign sources with regard to certain BlackRock Open-End Funds. The foreign source income may have taxes associated with it that were paid by BlackRock Open-End Funds to various foreign jurisdictions. The Funds listed below have qualified to “pass-through” the foreign taxes and foreign source income to their shareholders. Accordingly, you may either deduct your portion of the taxes in computing your taxable income or take a credit for such taxes against your tax liability. These deductions or credits may be subject to limitations under the tax law. Your portion of the foreign taxes have been included on your Form 1099-DIV. The information below is provided to assist you in computing your foreign tax credit.

Please consult your tax advisor regarding the appropriate treatment of foreign source income and foreign taxes.

(1) To determine your portion of foreign source qualified dividends, other foreign source income and total foreign source income, multiply the dollar amount of your ordinary dividend by the percentage indicated.

(2) Represents the portion of your qualified dividends that was derived from foreign sources. As a result of the lower tax rates on qualified dividends, these amounts may be subject to certain adjustments before they are taken into account for purposes of computing your foreign tax credit. Please refer to the instructions for Form 1116 or consult your tax advisor for additional information.
