FUND OVERVIEW

The Fund aims to match the performance of the Bloomberg AusBond Composite IndexSM before fees.

GROWTH OF HYPOTHETICAL 10,000 AUD SINCE INCEPTION

The chart reflects the performance of a hypothetical investment in the fund/share class of AUD10,000 over a specified period in time. The performance of the hypothetical investment is based on the actual past performance of the fund/share class over the specified period. Performance of the fund/share class is calculated on an exit-to-exit price basis, e.g. after fund management fees and expenses, and assume reinvestment of distributions. The performance quoted represents past performance and does not guarantee future results.

Where the performance quoted reflects performance over a period of less than one year. Performance returns over the short term may not be indicative of long-term performance.
