19 June 2026

To: Shareholders of iShares Edge MSCI Europe Quality Factor UCITS ETF (ISINs: IE00BG13YG34 / IE00BQN1K562) (the "**Fund**"), a sub-fund of iShares IV plc (the "**Company**")

Dear Shareholder,

The Directors of the Company wish to advise you of certain changes that will be made to the Fund.

As a result of the changes being made to the Fund (as described below), the Fund's offering documents will be updated accordingly.

The changes outlined in this letter are anticipated to take effect on or around 29 June 2026 (the "**Effective Date**") subject to regulatory approval.

The changes being made are not expected to have a material effect on the manner in which your investment is managed. You are not required to do anything as a result of this notification.

Changes to the Fund and Rationale

The Fund currently uses an optimisation strategy in order to achieve a similar return to its benchmark index, the MSCI Europe Sector Neutral Quality Index (the "**Index**"). In this respect, the Fund may invest in securities that are not underlying constituents of the Index where such securities provide similar performance (with matching risk profile) to securities that make up the Index.

The Fund's switch from an optimised to a replicating index tracking methodology will ensure the Fund will be able to utilise the higher issuer concentration limits permitted for funds using a replicating strategy and will allow the Fund to track its Index more closely by holding all index constituents to their actual weights.

Accordingly, the Fund's index tracking investment strategy will be changed to a replicating strategy on or around the Effective Date.

Changes to the Fund's offering documents

In line with the changes to the investment strategy of the Fund as described above, the Company's prospectus will be updated to reflect changes to the investment policy of the Fund as described above. The changes to be made to the Fund's investment policy are set out in the Appendix to this letter.

It is anticipated that the Company's prospectus (the "**Prospectus**") and the Key Investor Information Document (KIID) and Key Information Document (KID) (as applicable) for the Fund will be updated to reflect the above-mentioned changes on or around the Effective Date, subject to the approval of the Central Bank of Ireland.

The updated Prospectus and KIID/KID (as applicable) will be available on www.ishares.com. It is not expected that there will be any change to the Synthetic Risk Reward Indicator or anticipated tracking error of the Fund.

Costs

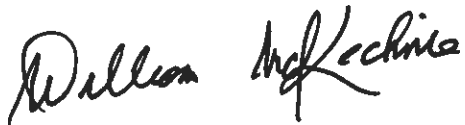

BlackRock Asset Management Ireland Limited, as manager of the Company, will pay the costs of the shareholder notification, and any additional operational costs (excluding realignment costs) and legal costs related to the proposed change that would otherwise have been incurred by the Fund. The transaction costs of portfolio realignment as a result of the above change are estimated to be minimal and will be borne by the Fund.
