BlackRock® Canada Announces Availability of PFIC Annual Information Statements for U.S. Tax Filers

Toronto, September 23, 2015 – BlackRock Asset Management Canada Limited (“BlackRock Canada”), an indirect, wholly-owned subsidiary of BlackRock, Inc. (“BlackRock”) (NYSE:BLK) and manager of the Canadian iShares suite of funds, announced today that Passive Foreign Investment Company (“PFIC”) Annual Information Statements for the iShares Funds listed below will be available for the 2015 tax year. These statements contain reporting information that can enable investors classified as “U.S. Persons” for the purposes of U.S. tax laws to make the Qualified Electing Fund (“QEF”) election for U.S. tax reporting purposes.

BlackRock Canada strongly recommends that impacted investors work with their financial advisor and a U.S. tax professional to discuss any PFIC-related tax implications.

The 2015 PFIC Annual Information Statements are expected to be posted to the iShares website on or about March 31, 2016.

“As PFIC rules can be complex, BlackRock Canada has opted to make these annual statements available to assist affected investors, in consultation with their tax and financial advisors, in making the appropriate elections,” said Warren Collier, Managing Director, Head of iShares of BlackRock Canada.
