**BlackRock<sup>®</sup> Canada Announces Final Annual Reinvested Capital Gains  
Distributions for the iShares<sup>®</sup> ETFs**

**Toronto, December 28, 2017** – BlackRock Asset Management Canada Limited (“BlackRock Canada”), an indirect, wholly-owned subsidiary of BlackRock, Inc. (NYSE: BLK), today announced the final annual reinvested capital gains distributions for the iShares ETFs listed on the TSX or NEO for the 2017 tax year.

These estimates are for the annual non-cash capital gains distributions, which are typically reinvested in additional units of the respective funds at the year-end, and do not include estimates of ongoing monthly, quarterly, semi-annual, or annual cash distribution amounts. The additional units will be immediately consolidated with the previously outstanding units such that the number of outstanding units following the distribution will equal the number of units outstanding prior to the distribution.

The record date for the 2017 annual distributions will be December 29, 2017, payable on January 4, 2018. The actual taxable amounts of reinvested and cash distributions for 2017, including the tax characteristics of the distributions, will be reported to brokers (through CDS Clearing and Depository Services Inc. or “CDS”) in early 2018.

Details regarding the “per unit” distribution amounts are as follows:

Fund Name	Fund Ticker	Reinvested Capital Gains Distribution Per Unit (\$)
iShares Balanced Income CorePortfolio™ Index ETF	CBD	0.35231
