# iShares Core ETF Portfolios

Simple is smart.

iShares ETF Core Portfolios provide a mix of diversified ETFs in a single low-cost, convenient solution. To make it easier to tune out the market noise and maintain your long-term focus, each solution is continuously monitored and rebalanced. This allows you to align your investments with your defined goals and risk profile.

No matter what your investment goal is, there's only one decision you have to make: which portfolio is right for you?

### Why iShares Core ETF Portfolios?

- You value simplicity and low fees – which means you keep more of what you earn.
- You prefer not to worry about rebalancing your portfolio. We do it for you, so you never drift from your target risk profile.
- You want a diversified portfolio, but just aren't sure where to start.

## One simple decision.

Canadians continue to place a high priority on saving for the long term. While investing can be a way to help investors grow their wealth over time, some feel investing isn't for them. Or maybe they just aren't sure where to start.<sup>1</sup> iShares Core ETFs Portfolios were designed to make it simple.

**A simple and efficient way to invest** with access to a mix of broadly diversified ETFs in one package

**A low-cost portfolio** with management fees of 0.18% annually

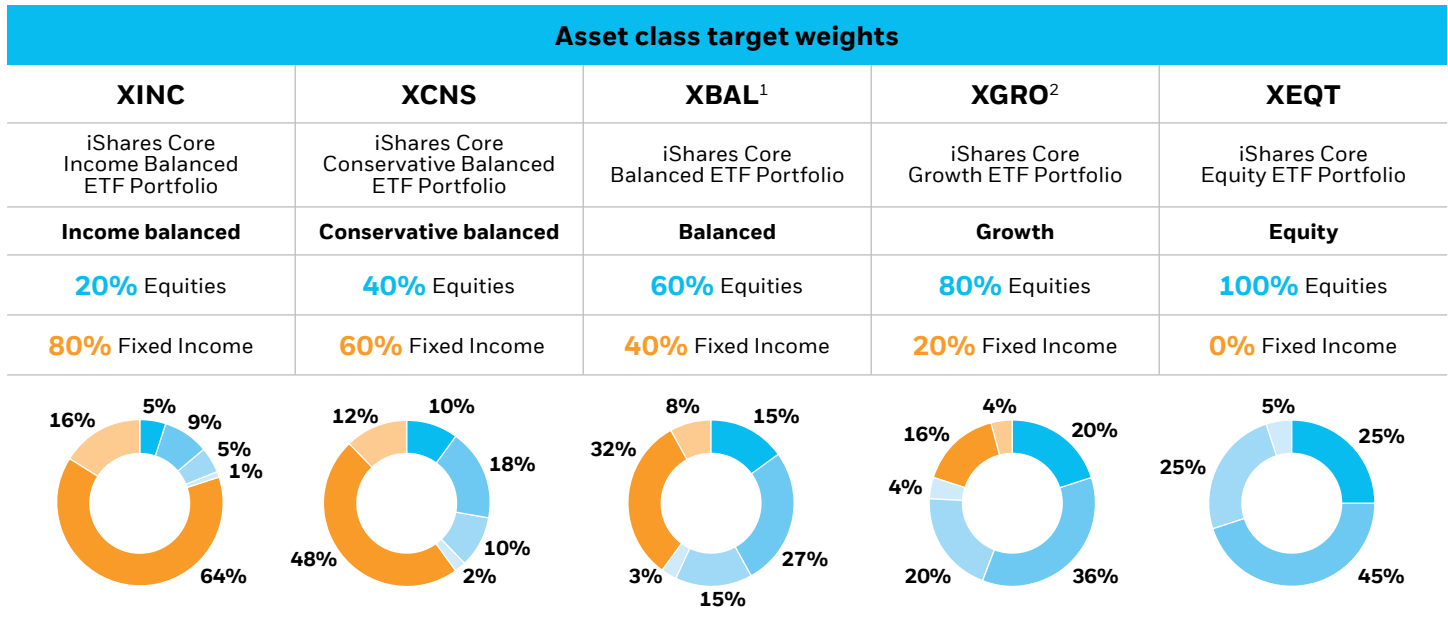

**Regularly rebalanced** to help you stay on track with your long-term goals

**Diversified exposure** to Canada, U.S., international and emerging markets through a portfolio of iShares ETFs
