

Important Tax Notice to U.S. Unitholders of Fund

iShares S&P/TSX Capped Energy Index ETF (the “Fund”)

This statement is provided to unitholders who are United States persons for purposes of the U.S. Internal Revenue Code of 1986, as amended (“IRC”) and the regulations thereunder. United States persons include U.S. citizens (whether or not they are U.S. residents), certain individuals with U.S. permanent resident status, U.S. corporations, and certain U.S. trusts and estates. Investors in the Fund should consult with a U.S. tax professional to determine whether they are United States persons.

The Fund may be classified as a Passive Foreign Investment Company (“PFIC”) as defined in Section 1297(a) of the IRC for the year ending December 31, 2025.

Please find attached a PFIC Annual Information Statement (“AIS”) for the Fund. The PFIC AIS is being provided pursuant to the requirements of Treasury Regulation §1.1295-1(g)(1). The PFIC AIS contains information to enable you, should you so choose based on the advice of your tax advisor and in light of your personal tax circumstances, to elect to treat the Fund as a qualified electing fund (“QEF”).

Generally, a QEF election is made on Form 8621 (“Return by a Shareholder of a Passive Foreign Investment Company or Qualified Electing Fund”) and is filed for each fund for which you wish to make a QEF election. Where a U.S. person is a unitholder of an iShares Fund that holds other iShares Funds in its portfolio, that person is an indirect investor in the underlying iShares Funds and is required to file a separate election form for each of these underlying iShares Funds. The attached information is designed to enable a unitholder to make a QEF election for both the directly held iShares Fund and any indirectly held underlying iShares Funds.

Note that the information attached with this letter is intended to help you make one or more QEF elections, if you decide to do so, and neither such information nor this letter constitutes tax advice. The taxpayer should seek advice based on their particular circumstances from an independent tax advisor.

We recommend that U.S. unitholders consult a tax advisor concerning the overall tax consequences of their ownership of units of the Fund and their U.S. tax reporting requirements. You can also find information on U.S. tax rules applicable to investments in PFICs on the IRS website, www.irs.gov, by searching “Form 8621 Instructions”.

If you have any questions regarding this matter, please contact your advisor, a U.S. tax advisor or BlackRock Client Relations at 1-866-474-2737 or BLKCanada@blackrock.com. Thank you for investing with BlackRock Asset Management Canada Limited.
