Change of Benchmark Index Name

The index provider of each Fund's benchmark index, MSCI, has advised that it will update the names of the relevant benchmarks in the following manner with effect from on or around 30 October 2026 (the "**Effective Date**"). This update is driven by the index provider who are updating the index names as they no longer meet the minimum standard to be labelled as ESG under their naming framework.

Current Index Name	New Index Name

MSCI USA ESG ex Select Business Involvement Screens Index	MSCI USA ex Select Screens Index

Change to Cut-Off Point for the QMM Actively Managed Emerging Markets Fund (the "Emerging Markets Fund") only

The current Cut-Off Point for subscription, redemption and conversion of shares in the Emerging Markets Fund is 4.30 pm (UK time) on the business day prior to the relevant dealing day. It is proposed that the Cut-Off Point be changed from 4.30 pm (UK time) to 1.00 pm (UK time) on the business day prior to the relevant dealing day. This change will provide additional time for sub-investment managers to prepare for trading flows.
