

POLITICAL ACTION COMMITTEE DISBURSEMENTS

January – December 2025

BlackRock’s ability to engage policymakers and participate in the public policy arena is subject to extensive laws and regulations at the international, federal, state, and local levels. Under United States federal law, BlackRock may not contribute corporate funds or make in-kind contributions to candidates for federal office or to national party committees. In addition to federal limits on corporate political action, our political contributions at the state and local level in the United States are governed by Municipal Securities Rulemaking Board Rule G-37, SEC Rule 206(4)-5, and CFTC Rule 23.451, as well as applicable state and local law. Accordingly, BlackRock does not contribute corporate funds to candidates, political party committees, political action committees, or any political organization exempt from federal income taxes under Section 527 of the Internal Revenue Code. Further, BlackRock PAC does not contribute to any state or local candidate or state or local official running for federal office, but rather, only contributes to federal candidates who are incumbents or in the private sector. Although permitted under federal and state laws, BlackRock has voluntarily elected not to spend corporate funds directly on independent expenditures for any particular candidate.

BlackRock maintains a federal political action committee (“PAC”). BlackRock PAC is registered with the Federal Election Commission, FEC ID: C00479246. The PAC is funded in accordance with applicable federal law on a voluntary basis by eligible employees of the Company who are U.S. citizens or green card holders. The PAC makes contributions on a bipartisan basis consistent with the Company’s contribution policies and public policy goals and without regard to the private political preferences of management.

As required by law, all political contributions by the PAC are reported to the Federal Election Commission and are publicly disclosed on the [FEC website](#). Information about BlackRock contributions required to be disclosed under the Lobbying Disclosure Act, are publicly available on the [Senate website](#).
