Subscription, Redemptions and Payments in ETFs

Dealings in Sub-Funds

With respect to dealings in the Sub-Funds, investors should note that the Sub-Funds are exchange traded funds which means that the shares of the Sub-Funds are listed on one or more stock exchanges. Certain market makers and brokers are authorised by the Fund Company to subscribe and redeem shares of the Sub-Funds directly with the Fund Company in the primary market and they are referred to as “**Authorised Participants**”. Such Authorised Participants generally have the ability to deliver the shares of the Sub-Funds within the clearing systems relevant to the stock exchanges on which the shares are listed. Authorised Participants usually sell the shares they subscribe to on one or more stock exchanges, the “**Secondary Market**”, where such shares become freely tradable.

Investors who are not Authorised Participants can purchase and sell the shares of the Sub-Funds on the Secondary Market through a broker/dealer on a recognised stock exchange or over-the-counter (i.e. off-exchange). Investors wishing to purchase or sell shares of a Sub-Fund on the Secondary Market should place their orders via their broker. Investors may redeem their shares through an Authorised Participant by selling their shares to the Authorised Participant (directly or through a broker). Investors who are not Authorised Participants cannot switch between shares of different Sub-Funds.

Payments to investors in respect of Sub-Funds

With the authorisation of the nominee of the common depositary (currently Citivic Nominees Limited) of the Fund Company, any dividends declared and any liquidation and mandatory redemption proceeds are paid by the Fund Company or its authorised agent to the applicable International Central Securities Depository. Investors who are accountholders in an International Central Securities Depository and hold interests in shares of the Sub-Funds which are settled and/or cleared through the applicable International Central Securities Depository (“**Participants**”), must look solely to the applicable

International Central Securities Depository for their share of each dividend payment or any liquidation or mandatory redemption proceeds paid by the Fund Company or, where they are not Participants, they must look to their respective nominee, broker or Central Securities Depository (as appropriate, which may be a Participant or have an arrangement with a Participant of the applicable International Central Securities Depository) for any share of each dividend payment or any liquidation or mandatory redemption proceeds paid by the Fund Company.

Investors who are not Authorised Participants have the right, subject to compliance with relevant laws and regulations, to request that the Manager buys back its shares in respect of a Sub-Fund in circumstances where the Manager has determined in its sole discretion that the net asset value per share of the Sub-Fund differs significantly to the value of a share of the Sub-Fund traded on the Secondary Market, for example, where no Authorised Participants are acting, or willing to act, in such capacity in respect of the Sub-Fund.

For further information in relation to the above, investors should refer to the Prospectus for the Fund Company and in particular the sections titled "GENERAL INFORMATION ON DEALINGS IN THE COMPANY", "PROCEDURE FOR DEALING ON THE PRIMARY MARKET" and "PROCEDURE FOR DEALING ON THE SECONDARY MARKET". The section titled "PROCEDURE FOR DEALING ON THE PRIMARY MARKET" relates to subscriptions and redemptions between the Fund Company and Authorised Participants. Investors who are not Authorised Participants should refer to the section titled "PROCEDURE FOR DEALING ON THE SECONDARY MARKET"
