## BlackRock Global Index Funds

21 May 2026

Dear Shareholder,

The board of directors (together the “**Board**” or the “**Directors**”) of BlackRock Global Index Funds (the “**Company**”) is writing to notify you of changes that will be made to the Prospectus of the Company.

Terms not defined herein shall have the same meaning as set out in the Prospectus currently in force (available at [www.blackrock.com](http://www.blackrock.com)).

The Directors accept responsibility for the contents of this letter. To the best of the knowledge and belief of the Directors (who have taken all reasonable care to ensure that this is the case) the information contained in this letter is in accordance with the facts and does not omit anything likely to affect the impact of such information.

### Changes to the Prospectus

#### Changes in relation to the implementation of UCITS VI

The Directive (EU) 2024/97 of the European Parliament and of the Council has amended the UCITS Directive and now includes an updated framework regarding liquidity risk management harmonising the availability and use of liquidity management tool (the “**UCITS VI**”), and whose requirements **apply since** 16 April 2026. The UCITS VI now provides nine harmonised liquidity management tools (the “**LMTs**”) among which UCITS must select at least two LMTs, considering the Funds’ investment strategy, liquidity profile and redemption policy. LMTs are intended to protect Shareholder’s interests particularly in stressed market conditions.

In accordance with the upcoming implementation of UCITS VI, the Management Company has elected to apply (i) redemption gates, as described in Appendix B in Section “Suspension and Deferrals”, paragraph 29 of the Prospectus and (ii) swing pricing, as described in Appendix B, paragraph 16.3 of the Prospectus, as the selected LMTs. Accordingly, a new paragraph has been inserted in the section called “Redemption of Shares” p.41 in the Prospectus. Investors are invited to refer to the updated Prospectus that **was issued** by the Board.

This change is effective on 16 April 2026.

#### Costs

The amendments described in this letter will not result in any increase to the fees and expenses borne by the Funds and/or its Shareholders. The associated fees and expenses (e.g., mailing costs) will be paid by the Management Company out of the Annual Service Charge charged to the Funds.

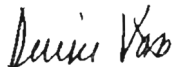

#### Action to be taken by you

Shareholders are not required to take any action in relation to the changes described in this letter.
