**Re: Closure of the Sub-fund**

15/02/2021

Dear Shareholder,

The board of directors of iShares plc (the “Board of Directors” or “Directors”) hereby informs the shareholders of the Sub-fund (the “Shareholders”) of the following:

The Board of Directors has been informed by the investment manager to the Sub-fund, BlackRock Advisors (UK) Limited (the “Investment Manager”), that the value of the net assets in the Sub-fund has decreased to an amount which has been determined by the Directors to be below the minimum level for that Sub-fund to be operated in an economically efficient manner.

Under the articles of association and prospectus applicable to the Sub-fund, the Directors have discretion to compulsorily redeem all participating shares of the Sub-fund if the net asset value (“NAV”) of the Sub-fund falls below £100,000,000 for any period of time. Currently, the NAV of the Sub-fund is significantly below this threshold.

It is intended to close the Sub-fund in accordance with the procedure set out below. The relevant dates are specified in the Appendix to this letter.

1. The “Final Exchange Trading Date” will be the last day of trading of the Sub-fund’s shares on the relevant stock exchanges.
2. The “Final Dealing Date” will be the last day on which applications for subscriptions and redemptions for shares in the Sub-fund may be made.
3. The “Compulsory Redemption Date” is the date on which any remaining shareholdings in the Sub-fund that have not been redeemed on or prior to the Final Dealing Date will be compulsorily redeemed.
4. The “Delisting Date” is the effective date of the cancellation of admission to, and listing of the shares in the Sub-fund on, the relevant stock exchanges.
5. The “Settlement Date” is the expected date on which the net proceeds from the realisation of the Sub-fund’s respective assets as at the Compulsory Redemption Date will be distributed to the Shareholders.
6. The withdrawal of the authorisation of the Sub-fund by the Central Bank of Ireland will take place at a point after the Compulsory Redemption Date and Delisting Date.

## Compulsory redemption

**If you are still a Shareholder in the Sub-fund on the Compulsory Redemption Date, your shares will be automatically redeemed. The assets of the Sub-fund will be liquidated in order to return the proceeds of your investment to you.**

Settlement times as disclosed in the Appendix will apply instead of the normal settlement times.

If you do not wish for your shares to be automatically redeemed on the Compulsory Redemption Date, you can redeem your shares in the Sub-fund at any time up to and including the Final Dealing Date in accordance with the normal Sub-fund redemption procedures as set out in the Sub-fund's prospectus.

Please note that, at the current size, the ability to meet the investment objective of the Sub-fund may be compromised and there will be an increased risk of tracking error between the Sub-fund and its benchmark index.

You may also wish to acquire an alternative iShares or other BlackRock fund. If you would like further information, please contact iShares using the details below. Shareholders should seek their own advice as to the suitability of any alternative investment option.

## Costs of closure

The additional costs incurred by the Sub-fund for closing the Sub-fund will be paid by BlackRock. The Sub-fund's normal operating costs and transaction costs (including redemption costs on the Sub-fund's investments) will continue to be borne by the Sub-fund and its respective shareholders.

## Tax consequences

Shareholders should note that the above options may represent a disposal of shares for tax purposes in certain jurisdictions. This will depend on your individual circumstances. If you are in any doubt as to the tax consequences of your actions you should contact your financial or tax adviser.

If you have any queries, please contact iShares on [info@ishares.com](mailto:info@ishares.com) or 0845 357 7000, or your usual iShares representative

Yours faithfully
