Dear Unitholder,

The Directors of BlackRock Asset Management Ireland Limited (the manager of the Fund) (the “**Manager**”) wish to advise you of certain changes that will be made by the index provider, MSCI, to the MSCI World ESG Screened Index, the benchmark index of the Fund (the “**Index**”).

The changes are anticipated to take effect on or around 1 March 2023 (the “**Effective Date**”).

The changes being made are not expected to have a material effect on the manner in which your investment is managed. You are not required to do anything as a result of this notification.

Changes to the Index

Following a process of consultation, MSCI is amending the Index methodology to include the following additional exclusionary screens:

- the exclusion of companies which have an MSCI ESG controversy score of 1 for Environment – “Land Use and Biodiversity Score” and “Environment – Supply Chain Management Score” pillars under the MSCI ESG controversies methodology;
- the exclusion of companies which derive 5% or more revenue from the production of palm oil; and

Enda McMahon, Michael Hodson, Graham Bamping (British).
Regulated by the Central Bank of Ireland.

- the exclusion of companies which derive 5% or more revenue from the extraction of Arctic oil & gas.

In addition, existing exclusionary screens within the Index to remove companies with an MSCI ESG controversy score of zero (which have been deemed to be involved in very severe ESG related controversies) and companies deemed to have failed to comply with United Nations Global Compact Principles will also be applied on a monthly basis and will be implemented as of the last business day of each month.

Finally, the Index will also seek to achieve a carbon intensity reduction target of 30% compared to its parent index.

Further information in respect of the changes to the Index can be found in the MSCI publication released on 14th October 2022 in the “Index Announcements” section at the following link:

<https://www.msci.com/index-announcements>

The changes to the Index outlined in this letter are expected to be implemented at the Effective Date.

The Fund’s prospectus is expected to be updated in the manner indicated in the Appendix to this letter to bring the current benchmark index description for the Fund into line with the upcoming changes to the Index. It is anticipated that the prospectus and the Key Investor Information Document (KIID) or Key Information Document (KID) as applicable, for the Fund will be updated at the next available opportunity to reflect the changes to the Index, subject to the approval of the Central Bank of Ireland. The updated prospectus and KIID/KID (as applicable) will be available on www.blackrock.com. It is not expected that there will be any change to the Synthetic Risk Reward Indicator or anticipated tracking error of the Fund as a result of the changes to the Index.

Costs

The Manager will pay the costs of the shareholder notification, and any additional operational costs (excluding realignment costs) and legal costs related to the proposed changes that would otherwise have been incurred by the Fund. The transaction costs of realignment will form part of the index rebalance which in aggregate are estimated to be 0.03bps and will be borne by the Fund. The fee you pay will not change as a result of the changes to the Index.

Further information

You are not required to do anything as a result of this notification. Please contact Blackrock.transfer.agency@jpmorgan.com if you have any queries concerning the changes outlined in this letter.
