For Investors in the UK. Investors should read the Key Investor Information Document and Prospectus prior to investing.

FUND OVERVIEW

The aim of the Fund is to provide a return on your investment (generated through an increase in the value of the assets held by the Fund and/or income received from those assets) by investing at least 70% of its total assets in other investment funds (including funds managed by the BlackRock Group). The Fund intends to gain indirect exposure to equity securities (i.e. shares) by investing more than 50% of its total assets in other funds which track the performance of indices of equities (i.e. shares) with an emphasis on indices of equity markets outside the UK. The Fund may from time to time hold positions in government securities and other fixed interest investments whether in the UK or overseas and cash and assets that can be turned into cash quickly.
