Beneficial Ownership & Controller Certification Form for Legal Entity Customers Investing in a US BlackRock Mutual Fund

General Instructions

What is this form?

To help the government fight financial crime, Federal regulation requires certain financial institutions to obtain, verify, and record information about the beneficial owners of legal entity customers. The lack of transparency of the ownership control of legal entities can lead to involvement in terrorist financing, money laundering, tax evasion, corruption, fraud, and other financial crimes. Requiring the disclosure of key individuals who own or control a legal entity (i.e., the beneficial owners) helps ensure the transparency of the financial system.

Who has to complete this form?

This form must be completed by the person opening an account with a BlackRock mutual fund in the United States, on behalf of a legal entity.

For the purposes of this form, a **legal entity** includes a corporation, limited liability company, or other entity that is created by a filing of a public document with a Secretary of State or similar office, a general partnership, and any similar business entity formed in the United States or a foreign country. **Legal entity** does not include sole proprietorships, unincorporated associations, or natural persons opening accounts on their own behalf.

Exemptions

At the end of this form you will find a list of exemptions for this rule that may apply to the legal entity. Before completing this form, please review this list and check the appropriate box(es) of any exemption condition(s) that may apply.

What information do I have to provide?

This form requires you to provide the name, main residential address, date of birth and Social Security number (SSN for US persons or passport number or other similar information, in the case of non-U.S. persons) for the following individuals (i.e., the **beneficial owners**):

- ▶ Each individual, if any, who owns, directly or indirectly, 25% or more of the equity interests of the legal entity customer (e.g., each natural person that owns 25% or more of the shares of a corporation); **and**
- ▶ An individual with significant responsibility for managing the legal entity customer (e.g., a Chief Executive Officer, Chief Financial Officer, Chief Operating Officer, Managing Member, General Partner, President, Vice President, or Treasurer).

The number of individuals that satisfy this definition of “beneficial owner” may vary. Under section (i), depending on the factual circumstances, up to four individuals (but as few as zero) may need to be identified. Regardless of the number of individuals identified under section (i), you must provide the identifying information of one individual under section (ii).

It is possible that in some circumstances the same individual might be identified under both sections (e.g., the President of the company who also holds a 30% equity interest). Thus, a completed form will contain the identifying information of at least one individual (under section (ii)), and up to five individuals (i.e., one individual under section (ii) and four 25% equity holders under section (i)).

BlackRock may also ask to see a copy of a driver’s license or other identifying document for each beneficial owner listed on this form.

- A) _____
Full name and Title of the natural person opening the account
