

Traditional & Roth IRAs

What is an IRA?

IRA stands for Individual Retirement Arrangement. An IRA is a taxed deferred vehicle used to set aside assets for retirement.

What is the difference between a Roth IRA and a Traditional IRA?

One of the key differences between these types of IRAs is that in some cases contributions to Traditional IRAs can be deducted from your taxable income while this is never true for Roth IRAs. Another key difference is that distributions of deductible contributions from a Traditional IRA are taxed as income while qualified distributions from a Roth IRA are not taxed. For additional information regarding the differences between Traditional IRAs and Roth IRAs, please reference **IRS Publication 590**.

Can I have both a Roth IRA and a Traditional IRA?

Yes. However the combined amount contributed to both types of accounts must not exceed that year's contribution limits. Please see below for more information on these two types of IRAs.

How much can I contribute to my IRA?

The amount that can be contributed to your IRA is based upon IRS annual contribution limits. For Roth and Traditional, typically it is the smaller of the two amounts: \$5,500 (or \$6,500, if you are age 50 or older), or 100% of your taxable compensation for the year.

Traditional IRAs	Roth IRAs
<p>Who is eligible for a Traditional IRA? You are eligible to make contributions to a Traditional IRA if you (or, if you file a joint return, your spouse) received taxable compensation during the year, and you are not age 70½ by the end of the year. You and your spouse are required to open separate IRAs.</p>	<p>Who is eligible for a Roth IRA? The IRS guidelines define who is eligible to contribute to a Roth IRA based on your modified Adjusted Gross Income and tax filing status. Please consult IRS Publication 590 for the most up to date income eligibility requirements.</p>
<p>Are contributions tax deductible? Your contributions to a Traditional IRA may be deductible based on your modified Adjusted Gross Income ("AGI"), your age, and whether you and/or your spouse are covered by employer sponsored plans. For questions regarding tax treatment of IRA contributions please consult IRS Publication 590 and your tax advisor.</p>	<p>Are contributions tax deductible? Your contributions to a Roth IRA would not be deductible. For questions regarding tax treatment of IRA contributions please consult IRS Publication 590 and your tax advisor.</p>
<p>When can I take money out of my Traditional IRA? You can withdraw money from your IRA at any time. However any money you withdraw from a Traditional IRA before the age of 59½ may be subject to a 10% IRS penalty (in addition to taxes) unless it is being used for certain purposes.</p>	<p>What If I earned more than expected this year and no longer qualify for a Roth IRA but already made a contribution for this year? If you make a contribution to a Roth IRA, and then discover that your income will exceed the maximum allowed to contribute to a Roth IRA the amount contributed for that year can be recharacterized as a contribution for a Traditional IRA. If you elect to recharacterize a contribution, you must do so by your tax return due date (including extension).</p>
<p>Am I required to take money out of my IRA? You are required to take a "Required Minimum Distribution" ("RMD") from your Traditional IRA after you reach the age of 70½ years old.</p>	<p>Am I required to take money out of my IRA? No, you are not required to take money out of a Roth IRA.</p>
<p>Can I convert my Traditional IRA to a Roth IRA? Yes. You can convert your Traditional IRA into a Roth IRA. You will be required to pay income taxes on the amount being converted in the year the assets are distributed from the Traditional IRA. Paperwork to convert your Traditional IRA to a BlackRock Roth IRA can be found in the Combined IRA Kit. Please consult with your tax advisor for additional information.</p>	<p>When can I take money out of my Roth IRA? Roth contribution amounts can be withdrawn at any time, however, any money exceeding the amount made in contributions withdrawn from a Roth IRA prior to the age of 59½ may be subject to a 10% IRS penalty. Reasons for the penalty exemption can be found in the IRS publication 590.</p>

A SIMPLE (Savings Incentive Match Plan for Employees of Small Employers) IRA Plan is a retirement arrangement designed for small businesses that establish individual accounts for each participating employee where both employer contributions and employee salary reduction contributions can grow tax-deferred for retirement.

Employees expected to receive at least \$5,000 in compensation for the calendar year and who have received at least \$5,000 in 2 prior calendar years and not covered by a collective bargaining agreement are to be considered eligible. Employers may relax those eligibility requirements and may even include all employees regardless of their earnings.

Generally employers who had fewer than 100 employees receiving \$5,000 or more in compensation in the preceding year and do not maintain another qualified plan are eligible to establish a SIMPLE IRA Plan. Please refer to the IRS guidelines for a more detailed explanation.

How much can be contributed to a SIMPLE IRA?

For 2012 (the last posted update by the IRS), the maximum that can be contributed via an employee's salary deduction is \$11,500. After 2012, the \$11,500 amount may be increased for cost-of-living adjustments. For eligible employees over age 50 by the end of the calendar year, the above limitation is increased by \$2,500 (to \$14,500; and this may also be increased for cost-of-living adjustments).

Are contributions tax-deductible?

Employers may be able to deduct the contributions they make on behalf of their employees. A tax advisor should be consulted for additional information.

How much am I required to contribute to my employees' SIMPLE IRAs?

Employers who have adopted a SIMPLE IRA plan for their employees must notify their employees of the information detailed below before the beginning of each election period. (Election periods are generally the 60 day period preceding January 1st, but can vary depending on when the plan was established, how long the election period is, and how often election periods occur).

Instructions For Establishing Simple IRAs

The purpose of this Kit is to help employers and their Financial Advisors establish a SIMPLE IRA Plan held directly at BlackRock. You can use this application to establish the plan, then each employee would use BlackRock's SIMPLE IRA Employee Kit to open their own accounts under the employer's Plan. More details on establishing a SIMPLE IRA and rules governing SIMPLE IRAs can be found at www.irs.gov/retirement by searching "SIMPLE IRA".

The following instructions will help you to establish these accounts, however if you have any questions we encourage you to call us for assistance.

Basic Requirements to Establish a Simple IRA Plan

As the employer, you can elect to allow only one designated financial institution, or allow your employees to decide which financial institution will receive their contributions.
- ▶ **IRS Form 5304-SIMPLE vs. 5305 SIMPLE: Which form do I use?**
 - Use Form 5304-SIMPLE to allow each plan participant to select their own financial institution (with this option, most employees use the same institution, mainly for ease of use, convenience, etc.). BlackRock provides a Form 5304-SIMPLE in this Kit for your convenience.
 - Use Form 5305-SIMPLE if you will designate which financial institution your employees can use.
- ▶ **Provide written agreements and notice to employees:**
 - Execute a written agreement to all eligible employees explaining the benefits of the SIMPLE IRA Plan.
 - Provide these employees certain information about the agreement.
 - Have each employee establish their SIMPLE IRA account at the financial institution.

 - Initial **Notice of Opportunity**, alerting eligible employees that they may begin making Salary Reduction Contributions to the SIMPLE Plan.
 - A **Notice of Employer Contributions**, which provides and confirms certain information about contributions.
 - An **Administrative Procedures** notice that informs participating employees of the deadline for making changes to their Salary Reduction.

You must select the financial institution that will serve as the custodian, trustee or issuer of your SIMPLE IRA and notify your employer of your selection.

Your employer has adopted a SIMPLE Plan to provide you with a tax-favored means to accumulate savings for retirement by means of salary reduction contributions made by you and either matching or non-elective contributions made by your employer. Your contributions, and those made to the SIMPLE on your behalf by your employer are paid to the financial institution selected by you, which serves as the custodian of the SIMPLE Individual Retirement Account (IRA) that you have established.

Contributions to the SIMPLE and earnings on those contributions are not subject to federal income tax until they are distributed or withdrawn by you. Your salary reduction contributions are, however, subject to Social Security, Medicare, railroad retirement, and federal unemployment taxes.

This Summary Plan Description and the copy of your employer's Adoption Agreement provided by your employer are intended to provide you with a summary of your SIMPLE. This Summary Description must be provided to you each year immediately prior to the employee 60-day election period, along with certain notices from your employer.

In addition, you may roll over or transfer your SIMPLE IRA balance to any IRA on a tax-free basis after a 2-year period has expired since you first participated in the SIMPLE Plan. Any rollover or transfer must comply with the requirements under Section 408 of the Internal Revenue Code.

If you withdraw an amount from the a SIMPLE IRA during the 2-year period beginning when you first participated in a SIMPLE Plan and the amount is subject to the additional tax on early distributions under Section 72(t) of the Internal Revenue Code, this additional tax is increased from 10% to 25%.

To take a withdrawal from your SIMPLE IRA with BlackRock Funds, please complete an **IRA Distribution Request Form**, available online at www.blackrock.com or by calling BlackRock at 1-800-441-7762.

- b** In addition to the election periods in 2a, eligible employees may make salary reduction elections or modify prior elections _____. If the Employer chooses this option, insert a period or periods (e.g., semi-annually, quarterly, monthly, or daily) that will apply uniformly to all eligible employees.

Purpose of Form

Form 5305-SIMPLE is a model Savings Incentive Match Plan for Employees of Small Employers (SIMPLE) plan document that an employer may use in combination with SIMPLE IRAs to establish a SIMPLE IRA plan described in section 408(p).

These instructions are designed to assist in the establishment and administration of the SIMPLE IRA plan. They are not intended to supersede any provision in the SIMPLE IRA plan.

Do not file Form 5305-SIMPLE with the IRS. Instead, keep it with your records.

For more information, see Pub. 560, Retirement Plans for Small Business (SEP, SIMPLE, and Qualified Plans), and Pub. 590, Individual Retirement Arrangements (IRAs).

Note. If you used the March 2002, August 2005, or September 2008 version of Form 5305-SIMPLE to establish a model Savings Incentive Match Plan, you are not required to use this version of the form.

Instructions for the Employer

Which Employers May Establish and Maintain a SIMPLE IRA Plan?

To establish and maintain a SIMPLE IRA plan, you must meet both of the following requirements:

1. Last calendar year, you had no more than 100 employees (including self-employed individuals) who earned \$5,000 or more in compensation from you during the year. If you have a SIMPLE IRA plan but later exceed this 100-employee limit, you will be treated as meeting the limit for the 2 years following the calendar year in which you last satisfied the limit.

2. You do not maintain during any part of the calendar year another qualified plan with respect to which contributions are made, or benefits are accrued, for service in the calendar year. For this purpose, a qualified plan (defined in section 219(g)(5)) includes a qualified pension plan, a profit-sharing plan, a stock bonus plan, a qualified annuity plan, a tax-sheltered annuity plan, and a simplified employee pension (SEP) plan. A qualified plan that only covers employees covered under a collective bargaining agreement for which retirement benefits were the subject of good faith bargaining is disregarded if

these employees are excluded from participating in the SIMPLE IRA plan.

If the failure to continue to satisfy the 100-employee limit or the one-plan rule described in 1 or 2 above is due to an acquisition or similar transaction involving your business, special rules apply. Consult your tax advisor to find out if you can still maintain the plan after the transaction.

Certain related employers (trades or businesses under common control) must be treated as a single employer for purposes of the SIMPLE requirements. These are:

- (1) a controlled group of corporations under section 414(b);
- (2) a partnership or sole proprietorship under common control under section 414(c); or
- (3) an affiliated service group under section 414(m). In addition, if you have leased employees required to be treated as your own employees under the rules of section 414(n), then you must count all such leased employees for the requirements listed above.

What Is a SIMPLE IRA Plan?

A SIMPLE IRA plan is a written arrangement that provides you and your employees with an easy way to make contributions to provide retirement income for your employees. Under a SIMPLE IRA plan, employees may choose whether to make salary reduction contributions to the SIMPLE IRA plan rather than receiving these amounts as part of their regular compensation. In addition, you will contribute matching or nonelective contributions on behalf of eligible employees (see *Employee Eligibility Requirements* below and *Contributions* later). All contributions under this plan will be deposited into a SIMPLE individual retirement account or annuity established for each eligible employee with the designated financial institution named in Article VII.

When To Use Form 5305-SIMPLE

A SIMPLE IRA plan may be established by using this Model Form or any other document that satisfies the statutory requirements.

Do not use Form 5305-SIMPLE if:

1. You want to permit each of your eligible employees to choose a financial institution that will initially receive contributions. Instead, use Form 5304-SIMPLE, Savings Incentive Match Plan for Employees of Small Employers (SIMPLE)—Not for Use With a Designated Financial Institution;
2. You want employees who are nonresident aliens receiving no earned

income from you that is income from sources within the United States to be eligible under this plan; or

3. You want to establish a SIMPLE 401(k) plan.

Completing Form 5305-SIMPLE

Pages 1 and 2 of Form 5305-SIMPLE contain the operative provisions of your SIMPLE IRA plan. This SIMPLE IRA plan is considered adopted when you have completed all appropriate boxes and blanks and it has been executed by you and the designated financial institution.

The SIMPLE IRA plan is a legal document with important tax consequences for you and your employees. You may want to consult with your attorney or tax advisor before adopting this plan.

Employee Eligibility Requirements (Article I)

Each year for which this SIMPLE IRA plan is effective, you must permit salary reduction contributions to be made by all of your employees who are reasonably expected to receive at least \$5,000 in compensation from you during the year, and who received at least \$5,000 in compensation from you in any 2 preceding years. However, you can expand the group of employees who are eligible to participate in the SIMPLE IRA plan by completing the options provided in Article I, items 1a and 1b. To choose full eligibility, check the box in Article I, item 1a. Alternatively, to choose limited eligibility, check the box in Article I, item 1b, and then insert "\$5,000" or a lower compensation amount (including zero) and "2" or a lower number of years of service in the blanks in (i) and (ii) of Article I, item 1b.

In addition, you can exclude from participation those employees covered under a collective bargaining agreement for which retirement benefits were the subject of good faith bargaining. You may do this by checking the box in Article I, item 2. Under certain circumstances, these employees must be excluded. See *Which Employers May Establish and Maintain a SIMPLE IRA Plan?* earlier.

Salary Reduction Agreements (Article II)

As indicated in Article II, item 1, a salary reduction agreement permits an eligible employee to make an election to have his or her compensation for each pay period reduced by a percentage (expressed as a percentage or dollar amount). The total amount of the reduction in the employee's compensation cannot exceed the

applicable amount for any calendar year. The applicable amount is \$11,500 for 2012. After 2012, the \$11,500 amount may be increased for cost-of-living adjustments. In the case of an eligible employee who is 50 or older by the end of the calendar year, the above limitation is increased by \$2,500 for 2012. After 2012, the \$2,500 amount may be increased for cost-of-living adjustments.

Timing of Salary Reduction Elections

For a calendar year, an eligible employee may make or modify a salary reduction election during the 60-day period immediately preceding January 1 of that year. However, for the year in which the employee becomes eligible to make salary reduction contributions, the period during which the employee may make or modify the election is a 60-day period that includes either the date the employee becomes eligible or the day before.

You can extend the 60-day election periods to provide additional opportunities for eligible employees to make or modify salary reduction elections using the blank in Article II, item 2b. For example, you can provide that eligible employees may make new salary reduction elections or modify prior elections for any calendar quarter during the 30 days before that quarter.

You may use the *Model Salary Reduction Agreement* on page 3 to enable eligible employees to make or modify salary reduction elections.

Employees must be permitted to terminate their salary reduction elections at any time. They may resume salary reduction contributions for the year if permitted under Article II, item 2b. However, by checking the box in Article II, item 2d, you may prohibit an employee who terminates a salary reduction election outside the normal election cycle from resuming salary reduction contributions during the remainder of the calendar year.

Contributions (Article III)

Only contributions described below may be made to this SIMPLE IRA plan. No additional contributions may be made.

Salary Reduction Contributions

As indicated in Article III, item 1, salary reduction contributions consist of the amount by which the employee agrees to reduce his or her compensation. You must contribute the salary reduction contributions to the designated financial institution for the employee's SIMPLE IRA.

Matching Contributions

In general, you must contribute a matching contribution to each eligible employee's SIMPLE IRA equal to the employee's salary reduction contributions. This matching contribution cannot exceed 3% of the employee's compensation. See *Definition of Compensation* later.

You may reduce this 3% limit to a lower percentage, but not lower than 1%. You cannot lower the 3% limit for more than 2 calendar years out of the 5-year period ending with the calendar year the reduction is effective.

Note. If any year in the 5-year period described above is a year before you first established any SIMPLE IRA plan, you will be treated as making a 3% matching contribution for that year for purposes of determining when you may reduce the employer matching contribution.

To elect this option, you must notify the employees of the reduced limit within a reasonable period of time before the applicable 60-day election periods for the year. See *Timing of Salary Reduction Elections* earlier.

Nonelective Contributions

Instead of making a matching contribution, you may, for any year, make a nonelective contribution equal to 2% of compensation for each eligible employee who has at least \$5,000 in compensation for the year. Nonelective contributions may not be based on more than \$250,000* of compensation.

To elect to make nonelective contributions, you must notify employees within a reasonable period of time before the applicable 60-day election periods for such year. See *Timing of Salary Reduction Elections* earlier.

Note. Insert "\$5,000" in Article III, item 2b(i) to impose the \$5,000 compensation requirement. You may expand the group of employees who are eligible for nonelective contributions by inserting a compensation amount lower than \$5,000.

Effective Date (Article VII)

Insert in Article VII the date you want the provisions of the SIMPLE IRA plan to become effective. You must insert January 1 of the applicable year unless this is the first year for which you are adopting any SIMPLE IRA plan. If this is the first year for which you are adopting a SIMPLE IRA plan, you may insert any date between January 1 and October 1, inclusive of the applicable year.

Additional Information

Timing of Salary Reduction Contributions

The employer must make the salary reduction contributions to the designated financial institution for the SIMPLE IRAs of all eligible employees no later than the 30th day of the month following the month in which the amounts would otherwise have been payable to the employee in cash.

The Department of Labor has indicated that most SIMPLE IRA plans are also subject to Title I of the Employee Retirement Income Security Act of 1974 (ERISA). Under Department of Labor regulations, at 29 CFR 2510.3-102, salary reduction contributions must be made to the SIMPLE IRA at the designated financial institution as of the earliest date on which those contributions can reasonably be segregated from the employer's general assets, but in no event later than the 30-day deadline described previously.

Definition of Compensation

"Compensation" means the amount described in section 6051(a)(3) (wages, tips, and other compensation from the employer subject to federal income tax withholding under section 3401(a)), and amounts paid for domestic service in a private home, local college club, or local chapter of a college fraternity or sorority. Usually, this is the amount shown in box 1 of Form W-2, Wage and Tax Statement. For further information, see Pub. 15, Circular E, Employer's Tax Guide. Compensation also includes the salary reduction contributions made under this plan, and, if applicable, compensation deferred under a section 457 plan. In determining an employee's compensation for prior years, the employee's elective deferrals under a section 401(k) plan, a SARSEP, or a section 403(b) annuity contract are also included in the employee's compensation.

For self-employed individuals, compensation means the net earnings from self-employment determined under section 1402(a), without regard to section 1402(c)(6), prior to subtracting any contributions made pursuant to this SIMPLE IRA plan on behalf of the individual.

* This is the amount for 2012. For later years, the limit may be increased for cost-of-living adjustments. The IRS announces the increase, if any, in a news release, in the Internal Revenue Bulletin, and on the IRS's website at IRS.gov.

Employee Notification

You must notify eligible employees prior to the employees' 60-day election period described previously that they can make or change salary reduction elections. In this notification, you must indicate whether you will provide:

1. A matching contribution equal to your employees' salary reduction contributions up to a limit of 3% of their compensation;
2. A matching contribution equal to your employees' salary reduction contributions subject to a percentage limit that is between 1 and 3% of their compensation; or
3. A nonelective contribution equal to 2% of your employees' compensation.

You can use the *Model Notification to Eligible Employees* to satisfy these employee notification requirements for this SIMPLE IRA plan. A Summary Description must also be provided to eligible employees at this time. This summary description requirement may be satisfied by providing a completed copy of pages 1 and 2 of Form 5305-SIMPLE (including the Article VI Procedures for Withdrawals and Transfers from the SIMPLE IRAs established under this SIMPLE IRA plan).

If you fail to provide the employee notification (including the summary description) described above, you will be liable for a penalty of \$50 per day until the notification is provided. If you can show that the failure was due to reasonable cause, the penalty will not be imposed.

Reporting Requirements

You are not required to file any annual information returns for your SIMPLE IRA plan, such as Form 5500, Annual Return/Report of Employee Benefit Plan or Form 5500-EZ, Annual Return of One-Participant (Owners and Their Spouses) Retirement Plan. However, you must report to the IRS which eligible employees are active participants in the SIMPLE IRA plan and the amount of your employees' salary reduction contributions to the SIMPLE IRA plan on Form W-2. These contributions are subject to social security, Medicare, railroad retirement, and federal unemployment tax.

Deducting Contributions

Contributions to this SIMPLE IRA plan are deductible in your tax year containing the end of the calendar year for which the contributions are made.

Contributions will be treated as made for a particular tax year if they are made for that year and are made by the due date (including extensions) of your income tax return for that year.

Choosing the Designated Financial Institution

As indicated in Article V, item 4, a designated financial institution is a trustee, custodian, or insurance company (that issues annuity contracts) for the SIMPLE IRA plan that would receive all contributions made pursuant to the SIMPLE IRA plan and deposit the contributions to the SIMPLE IRA of each eligible employee.

Only certain financial institutions, such as banks, savings and loan associations, insured credit unions, insurance companies (that issue annuity contracts), or IRS-approved nonbank trustees may serve as a designated financial institution under a SIMPLE IRA plan.

You are not required to choose a designated financial institution for your SIMPLE IRA plan. However, if you do not want to choose a designated financial institution, you cannot use this form (see *When To Use Form 5305-SIMPLE* earlier).

Instructions for the Designated Financial Institution

Completing Form 5305-SIMPLE

By completing Article VII, you have agreed to be the designated financial institution for this SIMPLE IRA plan. You agree to maintain IRAs on behalf of all individuals receiving contributions under the plan and to receive all contributions made pursuant to this plan and to deposit those contributions to the SIMPLE IRAs of each eligible employee as soon as practicable. You also agree that upon the request of a participant, you will transfer the participant's balance in a SIMPLE IRA to another IRA without cost or penalty to the participant.

Summary Description

Each year the SIMPLE IRA plan is in effect, you must provide the employer the information described in section 408(l)(2)(B). This requirement may be satisfied by providing the employer a current copy of Form 5305-SIMPLE (including instructions) together with your

procedures for withdrawals and transfers from the SIMPLE IRAs established under this SIMPLE IRA plan. The summary description must be received by the employer in sufficient time to comply with the *Employee Notification* requirements on this page.

If you fail to provide the summary description described above, you will be liable for a penalty of \$50 per day until the notification is provided. If you can show that the failure was due to reasonable cause, the penalty will not be imposed.
