## **BlackRock Closed-End Funds have Repurchased over \$1 Billion of Shares since the Share Repurchase Program’s Inception**

**New York, October 10, 2023** – BlackRock Advisors, LLC (“BlackRock”) released today share repurchase activity for certain BlackRock-advised closed-end funds (the “Funds”) during the quarter ended September 30, 2023. The Funds have authorized open market share repurchase programs (the “Repurchase Programs”) pursuant to which each Fund may repurchase, through November 30, 2023, up to 5% of its outstanding common shares in open market transactions. The Repurchase Programs seek to enhance shareholder value by purchasing Fund shares trading at a discount from their net asset value (“NAV”) per share, which could result in incremental accretion to a Fund’s NAV.

- Since the initial Repurchase Program’s inception in 2016, BlackRock has repurchased over **\$1.1 billion** in shares across the closed-end fund (“CEF”) complex, leading to over **\$184 million** in NAV accretion.
- BlackRock repurchased over **\$153 million** in shares across the entire CEF complex in the third quarter, leading to over **\$27 million** in NAV accretion.

Below is a summary of share repurchase activity over this past quarter and since the inception of each Fund’s Repurchase Program:
