<sup>&</sup>lt;sup>1</sup> Certain states require funds meet investment thresholds before a shareholder can exempt distributions attributable to his or her home state. In 2019, none of the funds listed above satisfied the thresholds imposed by California, Minnesota or New Jersey.

## Multi-State Municipal Funds (cont'd)

The information below summarizes the percentage of exempt interest income received by various BlackRock Closed-End Funds on a state-by-state basis. These percentages may be useful in completing your state tax return. In addition, the percentage of income that represents a tax preference item (relating to tax-exempt interest income from certain private activity bonds) for Federal Alternative Minimum Tax ("AMT") purposes is included for each Fund. Your portion of the exempt-interest income has been included on your Form 1099-DIV. Some states require a minimum percentage of home state bonds to permit the state tax exemption. Shareholders are urged to consult their tax advisor concerning the application of this information.

<sup>&</sup>lt;sup>1</sup> Certain states require funds meet investment thresholds before a shareholder can exempt distributions attributable to his or her home state. In 2019, none of the funds listed above satisfied the thresholds imposed by California, Minnesota or New Jersey.

### Multi-State Municipal Funds (cont'd)

The information below summarizes the percentage of exempt interest income received by various BlackRock Closed-End Funds on a state-by-state basis. These percentages may be useful in completing your state tax return. In addition, the percentage of income that represents a tax preference item (relating to tax-exempt interest income from certain private activity bonds) for Federal Alternative Minimum Tax ("AMT") purposes is included for each Fund. Your portion of the exempt-interest income has been included on your Form 1099-DIV. Some states require a minimum percentage of home state bonds to permit the state tax exemption. Shareholders are urged to consult their tax advisor concerning the application of this information.

#### Multi-State Municipal Funds (cont'd)

The information below summarizes the percentage of exempt interest income received by various BlackRock Closed-End Funds on a state-by-state basis. These percentages may be useful in completing your state tax return. In addition, the percentage of income that represents a tax preference item (relating to tax-exempt interest income from certain private activity bonds) for Federal Alternative Minimum Tax ("AMT") purposes is included for each Fund. Your portion of the exempt-interest income has been included on your Form 1099-DIV. Some states require a minimum percentage of home state bonds to permit the state tax exemption. *Shareholders are*
