

# BlackRock New York Municipal Income Quality Trust

Cusip: 09249U105

Ticker: BSE

Record Date December 12, 2017

Pay Date December 29, 2017

Distribution Amount per share \$ 0.046500

The following table sets forth the estimated amounts of the current distribution and the cumulative distributions paid this fiscal year to date from the following sources: net investment income, net realized capital gains and return of capital. All amounts are expressed per common share.

	Current Distribution	% Breakdown of the Current Distribution	Total Cumulative Distributions for the Fiscal Year to Date	% Breakdown of the Total Cumulative Distributions for the Fiscal Year to Date
Tax-Exempt Net Investment Income	\$ 0.042737	92%	\$ 0.193715	96%
Net Realized Capital Gains	\$ -	0%	\$ -	0%
Return of Capital	\$ 0.003763	8%	\$ 0.008785	4%
Total (per common share)	<u>\$ 0.046500</u>	<u>100%</u>	<u>\$ 0.202500</u>	<u>100%</u>

The Fund estimates that it has distributed more than its income and net realized capital gains; therefore, a portion of your distribution may be a return of capital. A return of capital may occur, for example, when some or all of the money that you invested in the Fund is paid back to you. A return of capital does not necessarily reflect the Fund's investment performance and should not be confused with 'yield' or 'income'. When distributions exceed total return performance, the difference will reduce the Fund's net asset value per share.

The amounts and sources of distributions reported in this Notice are only estimates and are not being provided for tax reporting purposes. The actual amounts and sources of the amounts for tax reporting purposes will depend upon the Fund's investment experience during the remainder of its fiscal year and may be subject to changes based on tax regulations. The Fund will send you a Form 1099-DIV for the calendar year that will tell you how to report these distributions for federal income tax purposes.
